President Lewellen called the meeting to order at 10:00 a.m. Members present were President Lewellen, and Members Bednar, Broughton, Carrier, Casteel, and Wherry. Mr. Hammon arrived shortly after the meeting began. President Lewellen declared a quorum was present.

Pat Hardy introduced ICMA Vice-President, Sam Gaston, and Barry Baker, the new Executive Director.

After a discussion regarding the “hor’s d’ourves” reception in Milwaukee it was determined to use the same format in Phoenix. It was agreed there should be more seating space at the reception.

It was agreed Kirk Bednar, Chairman of the Communications Committee, and Barry Baker would meet with Local Government Corporation, web site administrator, to develop a more effective use of the web site. It was agreed that we would begin to use the acronym of TNCMA instead of TCMA in order to facilitate better use of the web site. The TCMA domain is owned by the Texas City Management Association and it takes considerably longer to get to our web site if TCMA is used instead of TNCMA.

Barry Baker was given permission to rent a post office box, order stationery, and purchase office needs once the web site address was firmed up.

The Board reviewed the spreadsheet comparing the cost of various potential sites for the 2012 Spring Conference in Nashville. It was agreed to continue to pursue the Renaissance since it is the host site for ICMA’s 2019 annual conference.

Since all three of our former Vice-Presidents have expressed their intent not to pursue seeking the office of ICMA President at this time, it was agreed not to endorse any candidate for ICMA President.

Barry Baker discussed the draft letter to be sent to individuals who are appointed to a City Manager or City Administrator position, who are not from Tennessee.
